

About Great Bear

“Can-do” logistics with Great Bear, the ambient warehousing and logistics specialists of Culina Group

From B2B warehousing and transport solutions to B2C pick-and-pack and co-packing capabilities, Great Bear provide end-to-end contract logistics solutions for blue-chip and challenger brands in the FMCG arena

- **Basics done brilliantly** - Make logistics an engine, not a brake. When the everyday is taken care of, you can focus on what matters – growing your business.
- **Grow with us** - Partner with Great Bear and the Culina Group has your back. Scale now or scale in future. We’re ready
- **Powered by people** - Can-do is more than an attitude. It’s about people who keep you updated – and keep their promise to get the job done

Happy customers powered by a partnership that takes your success personally. Every cost explained, every issue sorted, every promise delivered by people who do what’s right.

Grow better with Great Bear - the can-do logistics people who actually can and actually do.
